Roads

We choose routes and roads based on their direction, condition, sights to see along the way and for their motorcycle riding enjoyment. We do not recommend any rider ride beyond their riding abilities. If you are not comfortable riding steep and winding roads it is your responsibility to let us know when booking. We only recommend riding on interstate highways when there are no other options or because of time constraints. Construction and detours can happen at any time without our knowledge. When creating your tour book we will do our best to avoid construction by reviewing DOT web sites.

Weather

Tour On 2, Inc. does not recommend riding in severe weather. We encourage all riders to check online weather predictions prior to the start and throughout the tour. www.accuweather.com is one weather site we find very useful.

Restaurants

Tour On 2, Inc. may suggest restaurants based on positive prior experiences or recommendations of others. We cannot guarantee the quality or service at any of these restaurants and have no affiliation with any restaurant we may recommend.

Rental Motorcycles

We use only reputable motorcycle rental agencies. We will reserve the make and model motorcycle you request but are not responsible if the rental operator does not have that motorcycle available when you arrive. If we reserve your rental motorcycle you will be responsible for the rental fee, taxes, insurance, GPS rental, and helmet rental. Each rental agent will require a credit card deposit for the accident deductible. This is usually a \$2000 credit charge and will only be processed if the motorcycle has been damaged. You will need to provide a valid driver license with a motorcycle endorsement. Each rental facility has the final decision on whether a rider is capable of riding their motorcycle. Tour On 2, Inc. is not responsible should the rental operator determine the rider is not capable of safely riding their motorcycle. In that event, you will be refunded any motorcycle rental fees you may have paid to Tour On 2, Inc.; your tour fees cannot be refunded.

Payment and refunds

All tours must be paid in full at least 30 days prior to the start date. Once the tour book has been created, there will be no refund of the tour costs. Any cancellation fees for lodging or rental motorcycles will be the responsibility of the rider.
